Postdoctoral Update

Office of Postdoctoral Affairs

May 15, 2018

- Insight Data Fellows Programs
- Two-Year US Postdoctoral Fulbright Fellowships to Israel
- UF-VA Clinical Translational Aging Research Seminar
- Postdoc Editors Association
- Postdoc HR Issues
- Reminder: UF Postdocs on Facebook and LinkedIn
- FREE Affiliate NPA Memberships
- Houses for Rent: Faculty Housing and Postdoc Housing

Insight Data Fellows Programs

Insight is now accepting applications from graduating students for our fellowships in:

- Data Science (for PhDs & Postdocs)
- Health Data Science (for PhDs & Postdocs)
- Data Engineering (for Bachelors, Masters, or PhDs)
- Artificial Intelligence (for Bachelors, Masters, or PhDs)
- Data Product Management (for Bachelors, Masters, or PhDs)
- DevOps (for Bachelors, Masters, or PhDs)

1400+ Insight alumni are now working at Facebook, LinkedIn, The New York Times, Apple, Airbnb, Netflix, Memorial Sloan Kettering Cancer Center, Github, Slack, 23andMe, Twitter, Bloomberg, NBC, Pinterest, Microsoft, and 250+ other top companies.

Insight Fellows Programs:

- 7 week, full-time training fellowship
- Mentorship from leading industry data scientists, data engineers & AI specialists
- Join an active community of Insight alumni
- Self-directed, project-based learning followed by interviews at top companies
- Tuition-free with need-based scholarships and loans available to help cover living costs

Upcoming Early Application Deadline: May 14

Learn more & apply on our website: www.insightdatascience.com/apply

UF-VA Clinical Translational Aging Research Seminar

Clinical Translational Aging Research Seminar

University of Florida Institute on Aging and Malcom Randall VA GRECC

"Microvascular Adaptations during Aging: Opportunities for New Models and Discoveries"

Presented by

Walter Lee Murfee, PhD

Walter L. Murfee, PhD
Associate Professor
UF, College of Engineering,
Dept. of Biomedical Engineering

Research Professor,
Tulane University,
Dept. of Biomedical Engineering

Monday, May 21, 2018
12:00 pm to 1:00 pm

UF, Clinical Translational Research Building (CTRB), Room 2161

Lunch will be provided

Learning Objectives: At the conclusion of this presentation, participants should be able to:

1) Explain novel cell changes along aged microvascular networks that influence angiogenesis
2) Review a new angiogenesis ex vivo tissue culture model for aging research
3) Illustrate the opportunity for advancing our scientific tools and understanding of how and why microvascular network growth is altered in aged tissues.

Dr. Murfee has disclosed no relevant financial relationships. No one else in a position to control content has any financial relationship(s) to disclose.

CME Information:

Accreditation:
The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit:
The University of Florida College of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
The VA designates 1.0 hour of Continuing Education credit provided for its employees.
Series #8115

UF | Institute on Aging
UNIVERSITY of FLORIDA

If you have any questions regarding this seminar please contact:
Dr. Yenisel Cruz-Almeida cryeni@ufl.edu and Dr. Rui Xiao rxiao@ufl.edu

This seminar is accredited by the ACCME to provide continuing medical education for physicians.

Postdoc Editors Association

The Office of Postdoctoral Affairs is pleased to announce the creation of the University of Florida's Postdoctoral Editors Association (UF-PEA), a service to help postdocs who seek to improve English grammar and writing style. The UF-PEA is comprised of postdoc volunteers from multiple colleges across the University who will offer preliminary review of manuscripts, grant applications, posters, slides and other scholarly presentations. While this service will be most useful to postdocs who speak English as a second language, the service is free and open to all postdocs at UF. Our editors will provide feedback on

structure and style of writing, but refrain from commenting on scholarship which is best honed by interactions between the postdoc and their mentor. UF-PEA will facilitate higher level postdoc-mentor interactions by reducing time spent on basic writing needs.

Find out more or submit a document for review at our website!
